How To Open

The hair easily gets tangled when you try to open the weft. Don't open it brutally. It is suggested that you comb the hair gently to detangle the hair while you open the weft

Hair Wash

1. Wash the hair in one week.
2. Water to wet, use mild shampoo, rinse and leave to dry.
3. Comb with a wire brush after dry.
4. The combs you'd better choose the round with wide-toothed comb.
5. Don't make the hair under the blazing sun for quite a long time.

6. Don't blows the root of hairs too near with the hair deier.

7. Don't grasp the root of hair overexert when washing.

8. Dear,with different cameras taking photos and different monitors for showing,so there may be existing a little color difference between pictures and exact hair.Hope you can understand it.
