Product Description

Product Description:

Full lace human hair wigs are the perfect choice for those looking for a natural and beautiful look. These wigs are made of natural hair that is hand-tied to a lace cap. The lace cap is made of a lightweight, breathable material that is comfortable to wear. The hairline is natural and pre-plucked to give the appearance of a natural hairline. The cap construction of full lace wigs is glueless, lace front, and full lace for a secure and comfortable fit. These wigs are available in different textures such as straight, curly, and wavy. They also come in various densities ranging from light, medium, to heavy so you can find the perfect fit for your needs. Bevel pinion gear and mill girth gear are used to create a secure fit and reduce shedding. Full lace human hair wigs are the perfect choice for those looking for a natural and beautiful look.
