Applications:

Reliable short human hair wigs are the perfect solution for those looking for a quick and easy way to change their look without having to go through a dramatic makeover. These wigs are made from real human hair, giving them the natural feel and look of real hair. This type of wig is ideal for those who want to make a subtle change in their style or add some volume to their existing look. The lace material used in these wigs is Swiss lace, which is soft and comfortable against the skin. The hair length is 111, which is just long enough for a full-head of hair. The adjustable straps on the wigs make them easy to adjust to fit any head size, and the baby hair adds a beautiful and natural finish. The knots on the wigs are bleached, which ensures that the knots stay secure and in place.

Customization:

Our **Reliable Short Human Hair Wigs** are made from the finest quality materials with a place of origin in China. They come with an elastic band for additional comfort and stability. The hair texture is smooth and it features bleached knots for a natural look. It also has baby hair and combs for easy styling.
